Kathie Kinder-Goble called the meeting to order.

Minutes from January and February of 2008 were approved.

Briefing for March 19, 2008 board meeting followed. Trina asked Kathie to present six chapter renewals and two new chapter approvals. Kathie will stop in the office before the board meeting so Trina can give her the information. The PLT report will include passing out past minutes and Parent Power Newsletter. She will highlight the Parent Leadership month proclamations and the trainings in Duluth.

Kathie had received pre-read materials from Connie and will make sure she reviews them before the meeting.

We need to do recruitment for PLT, Kathie will make phone calls to chapters. Trina will get her a long distance calling card for making the calls. She will also call the chapters up for renewal.

Roxy will ask Pris for up to date chapter list for calling.

Roxy talked about the National Parent Leadership Tool Kit contract with Nat'l COP. This needs to be completed by Sept. 08.

Awards

It was decided that we give the same kinds of awards we gave in 2007. Roxy will set up a tracking system for those who have received awards to make sure we are spreading them statewide each year.

Roxy will mail nominations when they have all been received and mail them out, a review call is scheduled for Friday April 4th. This should give us enough time to get letters out and make hotel arrangements etc.

Conference

We can offer 10 scholarships to the pre-institute for folks to come to the Parent Café. Roxy will work with Monica to get some Latino families to participate, two have committee already.

PLT will host a parent gathering area. Kathie will work on the brochure for recruitment to PLT.

Parent Leadership Training

Will start a year long series in Duluth on Saturday April 26th. Kathie will shadow Roxy to learn the training and together they will create an apprentice track for other parent leaders.

Next scheduled phone meeting will be on Saturday May 10th.

Respectfully Submitted,

Roxy Foster
