A FY16 survey of 424 presentation attendees showed that 95% of respondents found the ACE Interface presentation informative and thought provoking. Of those surveyed, 89% of respondents reported that they will incorporate their new knowledge about Adverse Childhood Experiences and resilience into their actions at work and more than 85% said that they will incorporate this knowledge into their actions at home and in their families.

Prevention Education and Outreach: MCCC produces and distributes Minnesota's Child Abuse Prevention Month materials each April and distributes thousands of pieces of additional prevention education and outreach materials throughout the year. MCCC also raises awareness online. At the end of FY16 MCCC's Facebook page was liked by 2,725 people and an average of 89 people interacted with MCCC's Facebook page each week. MCCC's website (pcamn.org), which hosts a variety of educational resources on topics from mandated reporting to resilience,

was viewed an average of 68 times per day in FY16.

MCCC staff members are also present at community events statewide to share information about prevention and to facilitate dialogue about child maltreatment through Cafe conversation events. In FY16 MCCC staff facilitated 4 Cafe events for more than 39 community members. In a FY16 survey of Cafe attendees, 95% of respondents said that they learned something that will help them as a parent/caregiver; more than 85% of respondents reported that the Cafe was helpful; more than 80% of respondents stated that they would recommend a Cafe to others.

Spring Webinar Series: Each year MCCC offers a spring webinar series. The FY16 webinar series was led by MCCC's Chief Operating Officer, Becky Dale, and centered on building individual and community resilience through coaching. MCCC hosted 10 webinars for a total of 17 attendees. In a survey of webinar attendees, respondents tended to rate their prior level of understanding of the webinar topic as "fair" or "good," while after the training the majority of respondents reported their understanding as "very good." Recorded versions of six of the webinars were viewed a total of 65 times.

In FY16, Circle of Parents served 1,313 parents in 42 parent groups and 815 children in 25 children's groups (offering a total of 2,658 individual meetings with an average of 4 participants each). More than 1,020 referrals to resources including community education, mental health, job training, health care, crisis nursery, social services, WIC, ECFE/Head Start, mentoring program and food shelves were made to parent participants. The majority of participants identified as White (39%), Hispanic/Latino (23%) and Black/African American (21%). Participants also identified as African Immigrant (5%), American Indian/Alaska Native (5%), Asian (5%) and Other (2%).

Parent Mentorship Program: The Parent Mentor Program is designed to support parents with active child protection cases by helping them navigate court and social service systems. The program empowers parents to provide safety and stability for their children. The goals of the program are to reduce the amount of time to resolve each situation, reduce trauma for the child or children involved and decrease the number of parents that reenter the system once their case is closed. In FY16 the Parent Mentor Program expanded into 5 additional counties, totaling 7 counties utilizing Parent Mentor services statewide.

Parent Mentors are individuals that have been personally impacted by the child protection system and are able to help parents understand the many organizations that are involved in child protection cases. They also provide parents with the tools they need to successfully advocate for themselves and their families. In FY16, 9 Parent Mentors served 30 Minnesota families.

period. Funding is also available for parents to attend other trainings or conferences to build knowledge and connections. The intent is to increase Parent Consultants' skills and influence so they can effectively articulate their experience, add value in their communities and on task forces within MN DHS, and ultimately contribute to a reduction in incidents of abuse, neglect and out-of-home placement (foster care). The program uses a shared leadership model, involving a partnership between parents and staff who share responsibility for team processes and outcomes.

In FY16, 21 Parent Consultants performed awareness activities in their communities. These Parent Consultants worked approximately 1,500 hours advising service providers, raising awareness statewide about family resilience and community needs and enhancing their own knowledge and skills. For Parent Recognition Month (February), MCCC celebrated more than 20 parents at an event with more than 70 people in attendance including families, legislators and community-based stakeholders.
