

Appendix C: Question Prompts for Small Group Discussions

Current Reality

1. What is at least one thing our community does well to support the health, safety, and healing of people in our community?
2. What is at least one area where our community could do better to improve health, safety, and healing of our community?
OR
What's one thing the community could do right now that would make a difference for your family?
3. What are the most important challenges facing our community? What can we do to address those needs or challenges?
4. Who is missing from this conversation? Who else should be in the room?
5. What other important questions should we be asking?

Values and Desires

1. What are the values most important to our community?
2. What's something you know that you wish people in our community knew and paid attention to?

Healing

1. What are we already doing to build healing in our community?
2. What is one thing we could collectively address that would have the greatest impact on creating healing in our community?

Data (could be done at table with *ACEs and Protective Factors* fact sheets)

1. Does the data reflect your understanding of our community's reality?
2. What needs are arising from the data we looked at?
3. Based on the data – what are you inspired to do?
4. What other data should we look at/consider?
