BUILDING COMMUNITY RESILIENCE IN MINNESOTA

BCR is working to transform program, practice, and policy across systems to improve the health and life outcomes of children, families, and communities.

We can build community resilience by:

- Ensuring all children have a medical home: 55% (Hennepin County), 60% (Itasca County), 58% (Dakota County)
- Guaranteeing access to good, nutritious food: 27% (Hennepin County), 28% (Itasca County), 26% (Dakota County)
- Providing school-based healthcare centers with mental health services: 5 (Hennepin County), 0 (Itasca County), 0 (Dakota County)
- Promoting working class job growth: 2.2% (Hennepin County), N/A (Itasca County), N/A (Dakota County)
- Ensuring access to jobs: 69% (Hennepin County), 71% (Itasca County), 65% (Dakota County)
- Providing access to affordable housing: 70% (Hennepin County), 74% (Itasca County), 75% (Dakota County)

Supportive adults & healthy households:
- Fewer children in foster care
- Fewer youth in mental health crisis
- Families drawing on their strengths
- Reduced crime
- Steady employment

Connected systems & supports:
- Reduced crime
- Fewer youth in mental health crisis
- Fewer justice-involved youth
- Families drawing on their strengths
- Supportive adults & healthy households
