

MORE RESILIENT MINNESOTA

Collaboratively Honoring & Healing Communities

JANUARY 2017 - MAY 2021

We support communities with tools to promote self-healing, resiliency, & collaboration to improve the well-being of families for current and future generations in Minnesota

"Although we did not initially fully realize the importance of the four phases developed for "More Resilient Minnesota" work, it became very clear the importance each step played in impacting and guiding the Community Resiliency Plan and led to our development of this micro-grant."

495 Presentations
